

**Department of Computer Science & Engineering,
Islamic University of Science and Technology, Awantipora**

Notice

07-09-2018

The Project Committee of the CSE department has decided to give an orientation to the students of the 7th semester with respect to the emerging research areas which would be highly beneficial for them in identifying their project domains. During this orientation program, all faculty members will be presenting a brief motivating overview of the research areas in which they are having expertise in some fixed time slots as mentioned below.

In view of this, it is impressed upon the students of 7th semester (CSE) to attend the whole session. It is compulsory for both the sections and the presence of students will be strictly noted.

Date	Day	Time Slots (hrs)	Venue
10-09-2018 – 12-09-2018	Monday, Tuesday & Wednesday	9:20 – 10:10, 14:50 – 16:10	Project Lab (CSE Department)
