

DEPARTMENT OF MECHANICAL ENGINEERING

List of Mentors for the Academic Session – Spring 2018

For smooth conduct of various academic and administrative activities, the faculty members have been assigned the role of mentors for the students of the Department of Mechanical Engineering. The mentors have to arrange regular meetings with the students to find out their grievances and other issues. The mentors should discuss the issues raised by the students and bring the same to the notice of the Head of Department. The minutes of the mentor-mentee meetings should be submitted to the Head, Department of Mechanical Engineering, for necessary action.
