

## CIRCULAR

This is to notify for the information of all faculty members, research scholars and students of the University that the University Library in collaboration with Elsevier is going to conduct “ScienceDirect, Scopus and Mendeley Awareness Program” at University Auditorium, Academic Block IV, on **23<sup>th</sup> November, 2017 at 2 pm.**

This Awareness Program would be an opportunity to interact with the researchers & faculty members, sharing information about the basic features and functionalities of ScienceDirect, Scopus and Mendeley. The event shall comprise of:-

- **A presentation and Demo on ScienceDirect– 40 Mins.**
  - *ScienceDirect is Elsevier’s leading information solution for researchers. Researchers, teachers, students, healthcare and information professionals use ScienceDirect to improve the way they search, discover, read, understand and share scholarly research.*
- **A presentation and Demo on Mendeley/Scopus – 30 Mins.**
  - *Mendeley is a free reference manager and academic social network that can help the users to organize their research, collaborate with others online, and discover the latest research.*
  - *Scopus is the largest abstract and citation database of peer-reviewed literature: scientific journals, books and conference proceedings. Delivering a comprehensive overview of the world's research output in the fields of science, technology, medicine, social sciences, and arts and humanities, Scopus features smart tools to track, analyze and visualize research.*
- **Questions and Answers- 20 Mins**

Those faculty members, research scholar and students who are interested to attend are requested to make the registration in the library by or before 22<sup>nd</sup> November 2017.

**For any more queries please feel free to contact the library staff.**
