**Workshop on Scientific and Technical Documentation Using L<sup>A</sup>T<sub>E</sub>X**

The Department of Electrical Engineering, IUST Awantipora, J&K is organizing a two-day workshop on “Scientific and Technical documentation using L<sup>A</sup>T<sub>E</sub>X” on 21<sup>st</sup> & 22<sup>nd</sup> December 2017.

L<sup>A</sup>T<sub>E</sub>X is a high-quality typesetting system and is the de-facto standard for scientific documentation in all major universities and research institutions.

Some features at a glance:

- Typesetting journal articles, technical reports, books, and slide presentations
- Handling large documents containing sectioning, cross-references, tables and figures
- Typesetting of complex mathematical equations and formulae
- Automatic generation of bibliographies and indexes
- Multi-lingual typesetting

The workshop aims at familiarising the participants with L<sup>A</sup>T<sub>E</sub>X, with focus on motivating them to use it for scientific document preparation. In addition to a series of presentations on its features, hands-on training on using L<sup>A</sup>T<sub>E</sub>X will be imparted.

Prospective Participants: Faculty members, research scholars, PG & final year UG students from IUST, NIT Srinagar, Kashmir Univeristy, Central University and their affiliated colleges. Participants from all branches of engineering, sciences and humanities are welcome.

Registration deadline: 15<sup>th</sup> December 2017.

Registration Form: Please visit [Registration link](#) . Link is also available on [www.iustlive.com](http://www.iustlive.com)

Note: The number of participants is limited to forty only. Short-listing of participants will be done by the organizing department.

Looking forward to your participation in the workshop.
