IUST signs MoU with University for Peace, Costa Rica

Islamic University of Science and Technology (IUST), Awantipora has signed n A Memorandum of Understanding (MoU) with University for Peace, Costa Rica. The MoU was signed by Prof. Mushtaq A. Siddiqi, Hon'ble Vice Chancellor on behalf of IUST and Dr. Juan Carlos, Sainz Borgo, Rector, on behalf of UPEACE. The MoU facilitated by Centre for International Relations (CIR), is going to be a very significant step towards further expanding the outreach of IUST and building alliances internationally for the benefit of its students and faculty. It includes student and faculty exchange programs, collaborative research and publications, development of joint projects including summer schools, organizing and hosting joint conferences and cultural programmes and other initiatives.
