

**Date Sheet for Supplementary examinations July, 2018
Diploma in Engineering Courses**

Date	3rd semester			5th semester		
	Civil Engineering	Electrical Engineering	Mechanical Engineering	Civil Engineering	Electrical Engineering	Mechanical Engineering
06-07-2018	Fluid Mechanics	Fundamentals of Electrical Engg.	EEEE	Reinforced Concrete Design	Industrial Electronics & Control of Devices	Hydraulics & Hydraulic Machines
09-07-2018	Applied Mechanics	Electrical Engg. Design & Drawing	Applied Mechanics	Railway Bridges & Tunnels	Electrical Power-I	Theory of Machines
10-07-2018	Civil Engineering Drawing	Electronics-I	Material Science	Soil & Foundation Engg.	Instrumentation	Production Management
11-07-2018	Building Construction	C- Programming & Applications	Thermodynamics-I	GSED	Digital Electronics & Microprocessor	
12-07-2018	Construction Materials		Mechanical Engg. Drawing-I		Energy Mangement	
16-07-2018	Surveying-I	Elect. & Electronics Engg. Materials	Workshop Technology-I	Highway Engg	Electrical Machines-II	Manufacturing Technology
