

ISLAMIC UNIVERSITY OF SCIENCE & TECHNOLOGY AWANTIPORA, KASHMIR

SPECIAL ORIENTATION PROGRAMME ON “CAREERS IN SCIENCE TECHNOLOGY ENGINEERING MATHEMATICS (STEM)-PLANNING YOUR SCIENTIFIC JOURNEY” HELD AT IUST

Awantipora, September 11: The Islamic University of Science and Technology (IUST) organized a Special Orientation Programme on “Careers in Science Technology Engineering Mathematics (STEM)-Planning your Scientific Journey” at its Campus here today. The event was organized by Placement & Trainings, IUST in collaboration with J&K Scientists Group under Science & Education Outreach Programme.

The resource persons from J&K Scientists Group were Dr. Syed Mubarak Hussain, neuroscientist from the University of New Mexico, USA, Dr. Zahida Qamiri, The Ohio State University, Mr. Reyaz Ahmad Shah, Indian Institute of Sciences, Bangalore, and Ms. Insha Rasool, Postech University, South Korea. The experts shared personal stories of their academic & research journeys with the students and faculty followed by a one to one interaction. The event was attended by Deans, Heads students/faculty/research scholars/staff of various Departments/Centres, IUST and different Universities

The Hon’ble Vice Chancellor, IUST, Prof. Mushtaq A Siddiqi, who was the Chief Guest of the function, gave an overview of the efforts being taken at IUST for propagation and dissemination of scientific Knowledge. There is immense scope, need and opportunities in Science & Technology areas and need of the hour is to have quality research having relevance in tackling the societal issues at global level, he said.

Prof. G. M. Rather, Dean School of Sciences, IUST also spoke on the occasion and emphasised upon the need of organizing such resourceful and motivational events in future also. Dr. S. Iqbal Quraishi, Deputy Registrar, Placement & Trainings conducted the proceedings of the session and proposed vote of thanks.
