

Notice from Internshala

Dear Students,

Internshala - India's largest internship platform has launched the second edition of its campaign - 'Internships for 1st Year Students'

1st-year students who would like to earn a healthy stipend (minimum Rs. 20,000 during the internship tenure) by doing work from home internship in non-technical profiles like sales, data entry, content writing, marketing etc can apply to the exclusive internships under this campaign. An internship in the 1st-year will go a long way teaching you professionalism and give you a boost in self confidence when you start applying for jobs in the future.

Register for 1st-year internships here - <http://bit.ly/1styearinternships>. There are no registration charges involved.

1st-year students can register and apply to these internships till 30th November 2018.

If you have any questions, please drop an email at contest@internshala.com
